**A Sealed and Secret Kinship: The Culture of Policies and**

This comparative perspective brings into sharp relief American, and by implication other western, policies that reflect a very different notion of kinship and family. Adoption thus reveals itself as one of the keys to western ideas about human nature, the person, rights, privacy, and family relationships.

**A Sealed and Secret Kinship: The Culture of Policies and**

Book description: Adoption has long been a controversial subject in the United States as well as in other western countries, but never more so than in the past three decades. Why that is and how public attention affects the decisions made by those who arrange, legalize, and experience adoptive kinship constitutes...
