Hi, Thanks so much for this. It's great! Just one thing, the print order is not the same as shown in your pictures- instead of the ring on the left and the honeymoon car on the right, the PDF has the pages in order as they would be in the book, so the page with the ring on the left has the cake on the right, which does not work for printing.

The science of brain development is providing concrete evidence that there is real power in play. While often dismissed as “just fun,” play is the vital activity that children use to learn about and interact with their world, and gain the mental, physical and social skills necessary to succeed in their adult lives.

The Power of Play | Boston Children's Museum

The 30 children’s book publishers below all have one important thing in common: they are accepting submissions directly from authors. Since many children’s publishers only accept from agents, this list should save you hundreds of hours combing through the submission guidelines of every children’s publisher on earth.
