From the time of its publication in 1611, the King James Bible has been used to spread the Gospel throughout the whole world, and most other versions have come into existence only in the past 100 years. Learn why the King James is superior in all ways, starting from the texts used as the basis for translation to the translators and editors.

Free will in theology is an important part of the debate on free will in general. Religions vary greatly in their response to the standard argument against free will and thus might appeal to any number of responses to the paradox of free will, the claim that omniscience and free will are incompatible.
