Targeted killing is defined as a form of assassination based on the presumption of criminal guilt. [citation needed] Some analysts believe it to be a modern euphemism for the assassination (prominent premeditated killing) of an individual by a state organization or institution outside a judicial procedure or a battlefield.

You should not have a favorite weapon.--- Miyamoto Musashi, A Book of Five Rings. If there is one attitude more dangerous than to assume that a future war will be just like the last one, it is to imagine that it will be so utterly different that we can afford to ignore all the lessons of the last one.
